

## Louise Young Make-Up Training: 3-day Fashion & Photographic Make-Up Course

This intensive course is ideal for those wanting to embark upon a career as a fashion make-up artist.

Louise has been a professional make-up artist for over 30 years working in film, fashion, TV, theatre and special effects; she has trained many of the industry's top make-up artists in this time. She is the writer of both an HND and the BTEC National Diploma in Media Make-Up and lectures across the UK and internationally. She regularly works in the industry thus ensuring students have up-to-date skills and techniques.

Courses are held at the studio in Norwich and all materials are provided. Course numbers are kept small to ensure each student receives individual attention. For beginners, taking the 2 day bridal make-up course would be a good option before embarking on this intensive course.
